Central Intelligence Agency
Office of the Deputy Director for Intelligence

25X1

NOTE TO: Ken deGraffenreid
National Security Council

Ken -

I wanted to make sure that you see the report on the [] Conference on Soviet Deception. 25X1
We decided that in the interest of both education and keeping a high level of interest, we would publish the full text of the proceedings now that the record has been transcribed. I intend that this not only be circulated widely in the Intelligence Community as a basic reading text, but also that it be used in the Deception Analysis Course being offered to community analysts. []

Because of Roy Godson's interest in this, 25X1
if he still has the appropriate NSC clearances, 25X1
you might wish to show it to him. []
